

INNOVATION IMMERSION PROGRAM

Application

Thank you for your interest in the Innovation Immersion Program (IIP). This application is to be completed and submitted digitally. Please answer each question thoroughly but concisely to your satisfaction; there are no space requirements. There is a 'Profile Page' PowerPoint slide included as an independent file. The profile pages will be compiled and the master portfolio will be used as an important tool in displaying the value that IIP can bring to a project and in team selection. This will also help in finalizing contracts with potential clients.

Name: _____

Address: _____

Email: _____

Phone: _____

Degree/Concentration: _____

Anticipated Graduation: _____

What are you applying for?

Applications should be completed digitally and submitted via innovationimmersionprogram@gmail.com no later than 10/14. You will receive a confirmation of receipt. Be sure to include the following:

- This document saved in the following format <IIP Application- Last name, first name>
- PowerPoint slide saved in the following format <IIP Application- Last name, first name.ppt>
- Updated Resume/CV

What is your primary motivation for applying to IIP?

How will IIP help you to reach your professional goals?

What steps have you taken to show your interest in IIP (e.g. your attendance to an information session, consulting training, research training, or something else)?

How will you help to promote and support IIP to ensure its continued success?

What skills do you possess that will help you be successful within IIP?

Explain a time when you took creative initiative.

What excites you about working with IIP?

Add any additional information that you would like for us to know when considering your application.
